About Bupa Riverstone Retirement Village

If you're looking for a retirement village that feels like a village, not a retirement city, come and visit us at Bupa Riverstone Retirement Village; a welcoming community that offers both independence and a sense of belonging.

Our one and two bedroom villas are warm, light, and spacious, with a modern kitchen, double glazed windows, heat pump and 24/7 emergency alarm system (monitored off site).

Our one bedroom serviced apartments with assisted living feature an ensuite, kitchenette and open plan living. Designed with you in mind, you'll enjoy ten meals each week (lunch and/or dinner) served in the dining room*, daily bed making, weekly sheet change, plus weekly linen laundry and weekly apartment clean. Our serviced apartments also offer additional meals and services for your evolving needs.

Our care home is conveniently located on site and offers rest home, hospital and dementia levels of care, subject to availability.

When moving to a Bupa village, all residents enter into an Occupation Right Agreement. Talk to us to find out more.

*The meals are in total, not per resident if there are two of you residing in the serviced apartment.
