Peace of mind, today and tomorrow

Our newly refurbished Care Suites are warm, secure and beautifully furnished. With 40 spacious suites ranging from 34–50m², each is thoughtfully designed to provide comfort, privacy and peace of mind.

Our Rest Home and Hospital Care Suites offer personalised clinical support that promotes independence and wellbeing, with 24/7 nursing and clinical care available for residents requiring a higher level of support.

Remuera Gardens Care Suites are offered under a Licence to Occupy and are available for both short or long-term care as well as respite care, pending room availability.

At Remuera Gardens, we are guided by the REAL model of care.

As part of our admission process, **REAL** profiling informs both interim and long-term care planning, ensuring every resident's journey is shaped through partnership, respect, and inclusion.

Relationships – Building meaningful connections between residents, families, and staff.

Empowerment – Supporting residents to make choices and maintain independence.

Approach – Delivering truly person-centred care that values individuality.

Life Story – Recognising each resident's unique history, experiences, and identity.

Your new home

At Remuera Gardens, our care is designed to support you every step of the way.

Our **Rest Home Care Suites** feature private decks overlooking beautifully established gardens. Residents receive personalised clinical support with daily living while maintaining as much independence as possible, with opportunities to stay active and enjoy social connection.

For residents requiring a higher level of support, our **Hospital Care Suites** provide enhanced nursing and clinical care tailored to individual needs. Our experienced team delivers compassionate, personalised support around the clock.

Our fully furnished Care Suites are located on the ground floor, each with a private outlook over our beautifully established gardens. Every suite features an open-plan living area with a kitchenette, dining space and 40-inch TV, along with a generous wardrobe and ensuite.

Support on your journey

Working in partnership, it's important that all voices are heard. During monthly meetings residents and whānau are encouraged to provide feedback on care, activities, food or any other matters.

Beyond our standard care we also provide the following services:

- **Medication** – Our nursing team ensures all medicines are kept in secured storage, handled with the highest safety standards, and dispensed accurately to each resident.
- **Physiotherapy** – We can help organise physiotherapy through trusted external providers to support residents in developing and maintaining their functional ability.
- **Podiatry** – Regular podiatry visits are available, and special appointments can be arranged when needed.
- **External Appointments** – We can help organise transportation for residents who need to attend external specialists, medical centres, dental clinics, radiology, or hospital services.
